

## Minimum Advertised Pricing Policy/Agreement

The Ginger People Group actively supports the advertising and promotion of its products by its domestic dealers and sales representatives through materials provided by GPG at no or nominal cost.

Effective May 1<sup>st</sup>, 2017, a NEW Minimum Advertised Price (MAP) on all GPG products will be in effect. This policy applies to all our dealers and sales representatives here in the US and abroad. We have implemented this MAP policy to preserve our strong reputation for providing customers with high value products and valued after sales support. We greatly appreciate the efforts of all resellers to distribute our products and support their customers.

The MAP policy shall work under the following guidelines:

- 1) The MAP for all GPG products shall follow the published MAP Price List provided. MAP pricing is established by GPG and may be adjusted by GPG at its sole discretion.
- 2) The MAP policy applies to all advertisements of GPG products in any and all media, including, but not limited to, flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail order catalogs, email newsletters, email solicitations, internet or similar electronic media, television, radio, and public signage. The MAP policy is not applicable to any in-store advertising that is displayed only in the store and not distributed to any customer(s).
- 3) The inclusion in advertising of free or discounted products (whether made by GPG or another manufacturer) with a product covered by the MAP policy would be contrary to the policy if it has the effect of discounting the advertised price of the covered product below the MAP.
- 4) If pricing is displayed, any strike-through or other alteration of the Minimum Advertised Price is prohibited.
- 5) MAP applies only to advertised prices and does not apply to the price at which the products are sold or offered for sale to an individual consumer within the dealer's retail location or over the telephone. GPG dealers and sales representatives remain free to sell these products at any prices they choose.
- 6) MAP does not establish maximum advertised prices. All dealers and sales representatives may offer GPG products at any price more than the MAP. Internet auctions may not display or have reserved bid or other acceptable prices below the MAP price.
- 7) GPG's MAP policy does not in any way limit the ability of any dealer to advertise that "they have the lowest prices" or, they "will meet or beat any competitors price", that consumers should "call for a price" or phrases of similar import as long as the price advertised or listed for the products is not less than MAP.
- 8) Dealer agrees to hold all trademarks of GPG as the property of GPG and use advertising materials provided by GPG in an authorized manner only.
- 9) Intentional or repeated failure to abide by this policy will result in termination of dealership or sales representatives rights. GPG does not intend to do business with dealers or sales representatives who degrade the image of GPG and its products. GPG will not provide prior notice or issue warnings before taking any action under this policy.
